Hello, creative friend! Let's keep the momentum flowing. ✨ The transformative Immersion course is the perfect way to fuel your dreams and start a career in surface design.

It's the natural next step for those of you who want to radically change your lives and pursue your passion for design (and be rewarded for it!).

Because, beyond uncertainty and fear (and the dreaded imposter syndrome!), there's an abundant new world awaiting you . . . 🌈

. . . A world where creative fulfillment is the norm.

. . . And your designs are on products like fabric, wallpaper and stationery around the world.

. . . And supporting your family with art is entirely possible.

The doors to that vivid new reality?

They're now wide OPEN! 🚪

Enroll today and discover how my beloved 8-week program empowers creatives to:

- 👉 Become an Adobe Illustrator pro (even newbies!)
- 👉 Craft inspiring collections and on-brand portfolios
- 👉 Unlock invaluable industry resources and insights
- 👉 Understand contracts and navigate business with confidence
- 👉 Embrace careers that are fruitful and wholly fulfilling

. . . AND do it all with the encouragement and support of my heart-centered community of artists. 💖

BUT . . . this is the ONLY time Surface Design Immersion will be offered during 2023!

Join Immersion Class of 2023!

I cannot wait to watch you succeed!

❤️ Bonnie
