Have you ever wondered what truly separates successful online courses from the ones that fade into obscurity? It's a question that keeps many course creators up at night.

Most people tend to blame marketing, leads, or pricing when their courses don't perform as expected. But what if I told you that the true key to success lies in something far more profound?

Too often, course creators find themselves stuck without a solid idea or overwhelmed by a sea of possibilities.

And what really matters is that foundation, the heart of your course—YOUR BIG IDEA. This is the keystone that can make or break your course's success...

But what if I told you that you have the potential to unlock your perfect profitable course idea?

I'm Marisa Murgatroyd, and after selling multiple 7-figure courses and empowering countless students by helping them do the same, I've developed a fast, proven way to make sure your first (or next) course idea is profitable - BEFORE you create it.

My free 5-Day "Crack Your Course Idea" Challenge will take you from "I don't know" to "Let's do this" in less than a week. And it will help you to:

- ✓ Get out of "overwhelm" & confusion
- ✓ Stop procrastinating
- ✓ Find the perfect, highly profitable course idea that's right for YOU

In just 15-30 minutes a day, you'll embark on a transformative journey that, by the end of it, will leave you with not just a course idea—but the perfect, profitable idea that you've been looking for.

At the end of this free 5-day challenge, you will:

- ✓ Find a money-making & fulfilling niche that fits your passion & expertise
- ✓ Follow a clear process to perfectly narrow your offer & make it irresistible
- ✓ Identify the most profitable target market that will be magnetically attracted to your offer
