Course Confident: My LIVE Bootcamp kicks off on Wednesday, September 13th!
And the virtual doors are about to lock.

I'll walk you through the 4 decisions I make that lay the foundation for 8-figure digital courses (AKA... it works) so there's no reason you shouldn't be there!

Here's a reminder of *exactly* what you're in for:

- How to choose a digital course topic that'll sell well AND make you feel confident you have lots to offer
How much to charge once you know what you're teaching
What course type is best for your topic, audience, bandwidth, and revenue goals
How to start attracting a course-ready audience ASAP and the course-focused lead magnet that will get them into your world

FOMO is never fun. Grab your spot in the Bootcamp before we kick things off on September 13th.
